

**Comment Summary for  
Capital City Trail  
Public Workshop  
November 14, 2012 - 4 - 7 pm**

A public workshop was held on November 14, 2012 for the Capital City Trail Project. Two positive comments were received, which confirmed the overall feel of the workshop, which was that this project is favored by the public.

The project consists of three phases, with the first being a trail from Public Safety Boulevard to Court Street in Dover. This phase will be under construction in spring 2013. There are two subsequent phases tentatively to be built if funding is secured. No dates have been given for those phases.

For more information, contact Jeff Niezgoda, Transportation Enhancement Program Manager at 302-760-2178.
